## CATERING FOR ALL OCCASIONS

If You Don't See It, "Just Ask"

The Iron Tomato was conceived with one goal in mind...to bring to you a unique culinary experience, featuring the finest Italian products available. With that goal comes a certain pride in what we do. All of our Mozzarella is made here, fresh every day. Our chef uses only the freshest ingredients from our own produce stand, butcher and fish department. Our authentic, thin crust pizza is made only with San Marzano Tomatoes imported from Italy. So come inside and have a taste of Italy.
